

# PLAY / SUPPORT GROUP

## FOR VISION IMPAIRED PARENTS AND CHILDREN

My name is Kelly and I am vision impaired. I suffer from a form of macular degeneration. Zieben is my adorable son and would love to start a play/support group in the centenary area for parents and children who are also vision impaired.

### My ideas for the group

- Informal parent to parent support
- Nursery rhyme/music days
- Dress up days
- Toy sharing
- Special theme days
- Celebrating special events
- Informal parent discussion
- “Ask our midwife” morning

And so much more

If you wish to Join Zieben and I for this great experience please give me a call on **0416 039 470** or e-mail [kelly.stuart@optusnet.com.au](mailto:kelly.stuart@optusnet.com.au)

We look forward to meeting you
